Any Other Sizes	We can supply these products in just about any size you want or with more than one photo on, a montage or just about anything you can imagine – please ring us to discuss the options			
Canvas – Your photo will be printed on top quality textured canvas, which is then stretched over a wooden frame. This is designed to be hung without an additional frame.				
Art Canvas – As above with your canvas in a chunky art frame. The canvas is fixed directly into the frame leaving a gutter of 10mm visible between the image and frame. Available with Black, White and Mahogany frames.				
Box Frames The box frame is the pinnacle of minimalist presentation. Clean lines and absolutely nothing to detract from the image. Box frames look great alone in large sizes, or as a group in small sizes. The small box frames will stand on to a desktop.				
Art Origin No glass and an appearance akin to bold fine art presentation. The image is edged with a curved inner frame within a chunky art frame. Available in; black, white, ivory & mahogany.				

ACRYLICS RANGE sleek, trendy and interactive.....

Acrylic presentation has increased in popularity. These products have been designed to be interactive and extendable. All the image panels utilise magnets so the photos can be move around any time you like! or changed and updated.

Stratus

	Stratus has exchangeable image panels. They overlap, at varying heights, to obscure the wall bracket behind. This acrylic is available in two sizes, the larger option titled Grande Stratus.	Status	23.5" x 22.5"	£395
	They can both be added to, thus creating a vast interlocking display of images, mounted in any orientation.	Grande Status	34.5" x 34.5"	£595

Primamodus

Interactive and extendable acrylic range utilising magnets, so you can change the layout whenever you want!

Prima Modus displays a number of image panels on a choice of coloured backgrounds; black (gloss or matt), white (gloss or matt), frosted, smoked or grey.
